# TEACHERS' TRAINING

For reaching important objectives:

Working in a European dimension and improving the English language skills

Better Understand Students' Needs in order to prevent early school leaving and failure in education

Create Interesting materials and contents, create an inclusive classroom environment.

Implementing new teaching methodologies, like the CLIL methodology, to motivate students and reduce school failures.

## MOBILITIES

- DUBLIN
- STOCKHOLM

Activating new techniques to work in heterogeneous classes, improving the inclusion of BES, DSA and foreign pupils.
